Mr. or Ms. Wilson,

Thank you very much for your message; I am somewhat dismayed to learn that my letter regarding the project reached you only on 24 December, however. By copy of this message, I am asking ENTRIX, our contractor for preparation of the environmental impact statement (EIS), to coordinate and consult with you directly regarding your interest in providing input on State ranked sensitive resources that occur within the project vicinity.

Also, if you have not already done so, may I suggest that you avail yourself of the resources available on the project web site, [esjprojecteis.org](http://esjprojecteis.org), including the opportunity to register for electronic updates of new developments, postings of significant new documents, etc.; this is our major means of communicating with interested parties.

If we can work with you at this time on anything more specific, please feel free to contact me or contact directly my principal at ENTRIX, Mr. Tim Murphy, as follows:
